Re Telegraph Revenue Golden and Windermere.

AUDIT OFFICE OTTAWA, August 11, 1913.

SIR,—The return for February has not been furnished. A deposit came to account for \$143.27, but nothing to indicate if any part of it was on account of Canadian Pacific Railway Telegraph.

The return for March has been received amounting to \$384.54 and a deposit has come to account for like amount. Nothing has been accounted for as due Canadian Pacific Railway Telegraph.

On this return there is a note stating that returns for Golden and Windermere for February and March are missing and will follow later.

Seemingly the accounts at these offices are in a very unsatisfactory condition. What action has been taken in reference thereto?

I am Sir, your obedient servant,
JOHN GORMAN, *for* A.G.

The Deputy Minister, Public Works.

PUBLIC WORKS DEPT., OTTAWA, August 18, 1913.

SIR,—Referring to your letter of August 11, I enclose copies of the following correspondence with regard to the unsatisfactory condition of the accounts of the Golden and Windermere Telegraph Offices:—

P. G. Burgess' memorandum July 24, 1913.

Letter from General Superintendent of Telegraph.

Service to Superintendent at Victoria, B.C., July 24, 1913.

Letter from General Superintendent of Telegraph. Service to Agent Telegraph Government Service at Golden, B.C. July 24, 1913.

Memorandum from General Superintendent of Telegraph Service, August 14, 1913.

I am sir, your obedient servant,
R. C. DESROCHERS,

The Auditor General.

Secretary.

AUDIT OFFICE, OTTAWA, October 31, 1913.

SIR,—Referring to your letter of August 18, I have to inquire if the accounts at the above office have been put into shape.

For the current year the returns for April and May are all that have yet reached this office. Seemingly the deposits made are only for the amounts accruing to the Government.

Deposits have been made in August and September, presumably for June and July.

The amount deducted by the Canadian Pacific Railway Telegraph Service during 1912-13 was \$926.45, and the amount accounted for by agent only \$727.55.

There does not appear to have been any amount accounted for as due to Canadian Pacific Railway Telegraph for the current year.

This state of affairs is most unsatisfactory.

I am, sir, your obedient servant,
The Deputy Minister of Public Works. J. FRASER, A.G.

SESSIONAL PAPER No. 1

PUBLIC WORKS DEPT., OTTAWA, November 11, 1913.

SIR,—In reply to your letter of 31st ult., I beg to say that Mr. P. G. Burgess of the Telegraphs Branch has just returned from a tour of inspection of this line, and as a result of his visit the statements and receipts to the end of September are now in hand and will be forwarded to the Audit Office within a few days.

Referring to the last two paragraphs of your letter *re* amount deducted by Canadian Pacific Railway Company's Telegraph for years 1912-13, this has now been accounted for together with the arrears for the present fiscal year. That there does not appear to have been any amount accounted for as due the C.P. Railway Co.'s Telegraph for the current year is due to the Agent at Golden not reporting balances, due to interchange of business with the C.P.R. at that point, for February, 1913, and subsequent months. He has now acknowledged and accounted for all outstandings to the end of September last.

I am, sir, your obedient servant,

J. B. HUNTER,
Deputy Minister.

The Auditor General.

AUDIT OFFICE, OTTAWA, March 8, 1913.

Re Telegraph Revenue Yukon.

Sir,—As I have previously written you there are differences between the amounts accounted for by the Telegraph Agents and the amounts deducted by the Canadian Pacific Railway Telegraph Co.

For the eight months of the current year the Can. Pac. Ry. Tel. Co. have deducted \$172.05 more than has been accounted for by the Agent at Golden.

For the same period the company deducted \$151.65 more than has been accounted for by Agent at Kamloops.

The details are as follows:—

	GOLDEN.		KAMLOOPS.	
	Accounted for by Agent.	Deducted by Can. Pac. Ry.	Accounted for by Agents.	Deducted by Can. Pac. Ry.
April.....	78 40	72 84	338 27	354 21
May.....	90 63	104 60	332 34	483 83
June.....	86 73	120 15	379 00	370 64
July.....	121 76	121 08	379 67	379 82
August.....	62 74	64 66	400 97	425 67
Sept.....	54 24	54 75	426 06	397 22
Oct.....		51 87	369 22	365 79
Nov.....		77 10	441 70	441 70
	494 50	667 05	3,067 23	3,218 88

The differences at Golden are principally in May and June, and nothing is accounted for by Agent for October and November.

The difference at Kamloops is largely for May.

Your Superintendent at Vancouver, who has control of the Yukon lines should inquire into and adjust these differences.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister, Public Works.

PUBLIC WORKS DEPT., OTTAWA, March 28, 1913.

SIR,—With further reference to your letter of March 8, I enclose copy of a memorandum dated March 17, from the Accountant of the Telegraph Service Branch, from which you will see that the differences between the amounts accounted for by the Telegraph Agents and the amounts deducted by the Canadian Pacific Railway Company's Telegraph Department, are in the way of being adjusted. I also send you copy of a specimen letter addressed to the District Superintendents of the Government Telegraph Service, impressing upon them the necessity for the agents at transferpoints, making proper adjustment with each other

I am, sir, your obedient servant,

R. C. DESROCHERS,

Secretary.

The Auditor General.

AUDIT OFFICE, OTTAWA, November, 22, 1912.

Re Rents at Ottawa.

SIR,—The collections for the six months to September 30 have come to account.

Comparing these collections, with the lists of tenants furnished by your collector, Mr. Smith, the following have not paid any rent.

In addition to these tenants who have paid no rent, there seem to be several who are in arrears.

Your attention is requested.

I am, sir, your obedient servant,

J. FRASER, A.G.

The Deputy Minister of Public Works.

SESSIONAL PAPER No. 1

PUBLIC WORKS DEPT., OTTAWA, November 25, 1912.

SIR,—I am in receipt of your letter of the 22nd instant, in regard to rents of Wellington Street properties. In cases where owners are residing in the premises, a great many of them have preferred to leave the payment of rent to be settled at the time the purchase money is paid over to them, and as it can be taken as a setoff against the interest accrued, the department has no objection.

As to the others, I shall have the matter taken up immediately by the Collector of Revenue with the rental agents.

Yours truly,

J. B. HUNTER,
Deputy Minister.

Auditor General.

PUBLIC WORKS DEPT., OTTAWA, December 3, 1912.

SIR,—With further reference to my letter of the 25th ultimo, I now beg to send you copy of statement prepared by the Collector of Revenue from which you will see that, outside of the owners who will be charged with rental when their properties are paid for, the rentals of other tenants are well up.

I am, sir, your obedient servant,

J. B. HUNTER,
Deputy Minister.

The Auditor General.
